THE CLUB AT
INNISBROOK[®]
A SALAMANDER[®] RESORT

A photograph of a golfer in a green shirt captured mid-swing, viewed from behind. The golfer is swinging a club, and a large cloud of sand is being kicked up from the bunker, creating a dramatic, hazy atmosphere. The lighting is bright, suggesting a sunny day. The text is overlaid on the right side of the image.

COVETED BY THE PGA'S GREATEST GOLFERS.
NOW IT'S YOUR TURN.

One word: Copperhead.

Strikingly scenic. Uniquely challenging. Endlessly rewarding. A favorite among countless PGA players for its subtle yet demanding personality, the famed Copperhead Course is the crown jewel of Innisbrook's four premiere golf courses. Designed by the distinguished and imaginative course architect Lawrence "Larry" Packard, Copperhead unquestionably lives up to its legendary reputation.

Home to the PGA TOUR's Valspar Championship, some of the world's greatest golfers have experienced the undeniable allure of this epic venue—featuring the formidable, final trio of holes so appropriately referred to as "The Snake Pit."

Together with the equally extraordinary and picturesque Island Course, the tight fairways and well-bunkered greens of our North Course, and the undulating terrain and links-style design of our South Course, these four outstanding championship layouts offer golfers of every caliber the chance to experience a truly unique, unforgettable golf membership experience.

“IF I COULD ONLY PLAY ONE
COURSE THE REST OF MY LIFE, IT
WOULD BE COPPERHEAD. IT HAS
THAT MUCH CHARACTER.”

— *Two-time U.S. Open champion Curtis Strange*
