

# The Wild Side of Innisbrook Resort

---

## On-Site Tours

### **Innisbrook On Foot** (walking tour) Saturday & Sunday

- ✓ Let's take a stroll through the diverse natural land of Innisbrook. Follow us on a guided walk with a naturalist sharing their vast knowledge of the unique and complex ecosystem that is Innisbrook. This is a favorite activity of birders of all ages.

### **Eco-cycles** (biking tour) Saturday & Sunday

- ✓ Peddle your way through Cypress gardens and dangling Spanish moss. We guarantee you'll learn some fun facts, see a new creature or two and get a bit of exercise along the way. This is a family outing favorite!

## One Of A Kind Fishing

### **Gone Fishing Charters**

When we arrange a trip with our specially selected, certified charter captain, chances are pretty darn good you'll hook up with the mighty snook, tarpon, redfish and more! Please call 727-421-5291 for reservations and to speak with our Captain Stewart Ames. <http://www.tampa-fishing-charter.com/>

### **Fishing At Lake Innisbrook**

You don't have to look far to find good fishing. Just check out our well-stocked Lake Innisbrook. Need equipment? No problem, we have everything you need (child and adult sizes) at the Tennis and Recreation Center (727) 942-5241.

## Innisbrook's Green Scene

Did You Know...

...Innisbrook only uses reclaimed water on golf courses and landscaping?

...Innisbrook accommodations feature low flow toilets and showerheads to conserve water?

...Innisbrook collected 8.2 tons of electronic waste in a week long community Electronic Recycling Drive?

...Innisbrook has a very committed "Green Team," striving each day to reduce our carbon footprint?
