## Holiday, Spring & Summer Kids Camps

Innisbrook's seasonal camps are designed to enhance players' progression. Camps include tennis drills, technique, match play, tennis-specific fitness, recreation and lunch.

### 10 And Under Tennis Camp (ages 3 – 10)

10 And Under Tennis using USTA's QuickStart play format is an exciting new way of learning tennis, designed to bring kids into the game by adapting the equipment (low- and slow-bounce balls, lighter racquets, lower nets), court dimensions and the scoring to the age and size of the children. This system allows youngsters to succeed quickly at tennis in a fun environment.

### Junior Team Camp (ages 6 – 10)

This QuickStart format camp focuses on sound techniques and strategies for players who have some knowledge of the scoring system and can sustain a small rally. Players learn "Triple Vision" (court, ball and opponent awareness), how to be a team player and have fun.

### Junior Camp (ages 10 – 18) 6:1 student-to-teacher ratio

This camp focuses on sound stroke fundamentals and strategic aspects of the game, plus tennis-specific fitness disciplines to develop both the mind and body. Video analysis is included.
