Innisbrook[®]

A SALAMANDER[®] GOLF & SPA RESORT

A Little About Us

We are a team of passionate and dedicated counselors, whose priority and motivation lies in bringing happiness and fun to your children. Certified in CPR and First Aid, we provide a safe yet exciting and educational camp experience while you remain confident in their safety and well-being

Camp Nessie Headquarters

Camp is located on the second level of the Tennis and Recreation Center, but that is just the beginning! We utilize a variety of venues throughout the resort including educational nature trails, miniature golf course, baseball courts, playground, volleyball courts and more, including the legendary Loch Ness Pool and its 2 winding waterslides*.

**Must be a minimum 42" tall to ride waterslides with signed waiver.*

What To Bring To Camp

To make sure campers get the most out of their day, please send children with swimwear and proper sunscreen (30+spf recommended). Towels are provided. Active shoes are recommended for playtime activities and a change of shoes or sandals can be brought for pool time.

Typical Camp Session**

We begin each day with morning welcome icebreaker games, getting to know counselors and campers. It's always a full and fun schedule of crafts, games and learning. Then it's time to head outdoors for adventure on our nature trail, mini golf course and playground. After getting cleaned up, we enjoy a fresh and delicious lunch as a group. After lunch, we begin the afternoon with a tram ride to the Loch Ness Pool for pool games, activities, sliding and swimming. Back at camp, it's time for some indoor active games, including racquetball, wallyball and more.

***Activities may vary depending on age, abilities and skill levels of all participants. Indoor programs are always available to keep children active and engaged in case of inclement weather.*

Allergies and Asthma

Please be sure to note ANY allergies, asthma or special conditions on the camp forms when registering. Note: no peanut products are used in the Camp Nessie facility.

Weather

In the case of inclement weather, options to move indoors will be arranged. We reserve the right to close the slide pool and/or the main pool for safety during a thunderstorm or lightning storm, which will remain closed for 30 minutes minimum from the last audible thunder or last lightning strike within a 5-mile radius.

Make a splash this summer at Camp Nessie. School's out and it's time to get ready for a summer full of adventure. Join us for great crafts, exciting games and lots of fun in the sun. Camp Nessie offers a safe and enjoyable place for your little time traveler to make lasting memories.
