Camp Nessie Headquarters (three locations)

Camp Nessie will be located at three locations: Edinburgh Hall, Stirling Hall, and Island Clubhouse for morning drop-offs and sometimes afternoon pickups. The camp team will communicate on which location in advance where morning drop off will be located the week prior. Afternoon pickups will always be at Loch Ness Pool, weather permitting. If the weather is an issue in the afternoon, then pickup will be at the location you dropped off that day for that day.

**Must be a proficient swimmer and minimum 42" tall to ride waterslides with signed waiver.*

What To Bring To Camp

Please pack a lunch and snack daily for your child. To ensure campers get the most out of their day, please send children with swim wear and proper sunscreen (50+ SPF recommended). Towels will be provided. Active shoes are recommended for playtime activities and a change of shoes or sandals can be brought for pool time. Campers will have access to our Loch Ness Grill which is cashless and items can only be purchased by Innisbrook Membership Number or Innisbrook Gift Cards. Gift cards can be purchased online.

Typical Camp Session*

The day will start off with activities, games, learning and welcome icebreaker games, getting to know counselors and campers. Lunch will be daily from 12:00 pm to 1:00 pm. After lunch, campers will enjoy another activity or game, or a fun and interactive learning session showcasing several professions (weatherman, Sheriff's Office, Fire Department, Military, etc.). Campers will then head to the Loch Ness Pool for swimming to the end of the day.

*Activities may vary depending on age, abilities, and skill levels of all participants. Indoor programs are always available to keep children active and engaged in case of inclement weather. A \$20 late fee will be applied for pickup after 4:30 pm.

Allergies and Asthma*

Please be sure to note any allergies, asthma, or special conditions on the camp online forms when registering & to our camp staff daily.

Cell Phone & Electronics Policy

For camper safety, privacy and overall well-being, we ask that our camp families support our cell phone/technology policy, so we can promote a healthy camp environment. Campers are not permitted to bring cell phones (or any electronic/web-linked devices) to camp, as we do not permit their use during the camp day as they serve as a distraction to other campers. If a camper brings a cell phone, he/she will be asked to put their phone in their backpack with it powered off.

Weather

In the case of inclement weather, options to move indoors will be arranged. We reserve the right to close the slide pool or the main pool for safety during a thunderstorm or lightning storm, which will remain closed until the lightning is 6 miles away from the resort.
